## Learning Objectives

MedBridge

*Collaborative Individualized Education Programs (IEPs):  
Developing Educationally Relevant Goals and Objectives*

Dottie Handley-More, MS, OTR/L

### Course Objectives:

Upon completion of this course, learners will be able to:

- Describe a systematic process for developing IEP goals and objectives
- Gather relevant student performance data for the present levels of academic achievement and functional performance
- Write IEP goals and objectives that are student centered and participation based
- Describe strategies for measuring progress and making data-based decisions
