Learning Objectives

MedBridge

The Value of Engaging Parents as Partners in School-Based SLP Programs

Jean Blosser, EdD, CCC-SLP, ASHA Fellow

Course Objectives:
Upon completion of this course, learners will be able to:

- Describe the benefits of collaborating with parents of children with communication and learning disorders
- Establish collaborative relationships with parents
- Identify roles parents can play
- Teach parents to implement instruction and intervention techniques
- Gather and share relevant resources with parents
