MedBridge

*Post-Stroke Resources and Community Reintegration*

Michelle Camicia, PhD, MSN, CRRN, CCM, NEA-BC, FAHA & Barbara Lutz, PhD, RN,  
CRRN, PHNA-BC, FAHA, FNAP, FAAN

### Course Objectives:

- Identify common post-discharge needs and concerns of stroke survivors and their family caregivers.
- Discuss strategies for assessing and addressing the post-discharge needs of stroke survivors and their caregivers.
- Describe community- and web-based resources designed to address post-discharge needs and facilitate successful community reintegration.
